

BEWARE OF E-MAIL ATTACHMENTS!

Hello, friends and subscribers to the Fundamental Baptist Information Service. Spams and viruses are endemic these days.

Please never open an attachment unless it is something you are expecting or you know exactly what it is and from whom. It is by opening attachments that most viruses are activated.

The Fundamental Baptist Information Service will never send out attachments, and if you receive something that looks like it is from us and it has an attachment, you can be sure that it is some sort of virus or spam that is replicating our return address.

In Christ,

David Cloud
